Hi Arnie,

I've attached copies of Jeffersonville's request to modify the LTCP and the city's financial capability update.

In addition, the R5 environmental engineer, Jack Bajor, is working on setting up a conference call for next week (possibly Thursday) with IDEM to discuss Jeffersonville's request. IDEM plans to supply Jack with several times they'll be available next week for a call (I've expressed a preference for Thursday). Please let me know whether you would like someone from DOJ to participate in that call.
